To Whom It May Concern,

We are families from the Bow Valley Hockey Society, and we are requesting permission to sell raffle tickets outside your place of business. The prize of the Bow Valley Hockey Society 2019/2020 raffle is a *2019 Honda Ridgeline*.

This raffle is a major fundraiser for Bow Valley Hockey with the proceeds going toward the day-to-day operation of our minor hockey program.

There are over 1,000 girls and boys who participate in Bow Valley Hockey. Each year the families of these young hockey players work together to sell raffle tickets to raise money to help our association maintain excellent value at a reasonable cost. This in turn helps to make minor hockey accessible to families in our community.

Thank you for supporting the Bow Valley Hockey Society.

Regards,
