

Section # 1 - Code of Conduct

Membership in the Bow Valley Hockey Society (BVHS), and participation in its activities, bring many benefits and privileges that are balanced by member and participant responsibilities and obligations.

This policy defines the parameters for these responsibilities and obligations and thus identifies a standard for behavior that is expected of all BVHS members and participants.

The Bow Valley Hockey Society has the obligation to report all incidents that fall within the Maltreatment, Bullying and Harassment Section 11 of the Hockey Canada Playing Rules to Hockey Calgary and or Hockey Alberta.

D. In situations where BVHS has reported an incident to Hockey Calgary and or Hockey Alberta, the direction of the governing bodies; Hockey Calgary, Hockey Alberta and or Hockey Canada would supersede this policy and BVHS would follow the direction of the governing body in dealing with that specific incident.

E. Members have the right to submit a complaint through the Hockey Canada Independent Third Party Complaint Process at anytime.

F. The BVHS suspension policy outlines suspensions as they pertain to suspensions around game and conduct. In some situations, both policies (code of conduct and discipline policy in conjunction with the BV suspension policy) may be used to deal with an incident that has occurred.

Expected Standard of Ethical Conduct

BVHS is committed to providing an environment in which all individuals are treated with respect. All Members and Participants of BVHS are thus expected to:

A. Always Conduct themselves in a manner consistent with the values of BVHS which include fairness, integrity, and mutual respect.

Hockey Alberta firmly believes that only when sport environments are safe and inclusive can these values be realized. Participants in Hockey Alberta sanctioned programming should have the reasonable expectation that it will be in an environment that is accessible, inclusive, and free from all forms of Maltreatment, Bullying and Harassment.

Fair Play Codes of Conduct

Fairness, integrity and respect – are the principles of fair play. With them, the spirit of competition thrives, fueled by honest rivalry, courteous relations, and graceful acceptance of the results. Playing fair also has to do with making choices. As we interact with each other in sport, or as spectators of sport, we must regularly consider and define what we think is right and what is not.

The Hockey Calgary Fair Play Codes of Conduct are an extension of the BVHS Expected Standard of Ethical Conduct and have been established to guide the decision-making and actions of all BVHS Members and Participants.

FAIR PLAY CODE POLICY FOR COACHES

The fair play codes are set out in Hockey Canada's booklet Safety Requires Teamwork – An information guide to Hockey Canada's Risk Management and National Insurance Programs. The fair play codes are a set of guidelines for players, coaches, parents, officials, spectators and league organizers set out to promote positive hockey experiences. Fair play is important from a developmental perspective as well as from a risk management perspective.

It is the policy of Hockey Calgary that the Fair Play Codes be followed by all member associations affiliated with Hockey Calgary including Elite Hockey, Community Hockey, Girls Hockey, and Recreational Hockey.

For the most part the fair play codes are clear. However, for coaches there is a provision, which states, "I will ensure that all players get equal instruction, support and playing time." The use of the term "equal" is generally understood. However, there is a tendency among a small minority to mis-interpret the term "equal" with "earned" or "fair" which allows for entirely different interpretations of the intentions of the fair play codes. Some individuals will acknowledge that the fair play codes apply and then claim you can shorten the bench in the last five minutes of a game, in a tight situation or in playoffs. Allowing variances in the interpretation of fair play only increases a broader degree of confusion for the rules of minor hockey.

Fair play is intended to allow all players an equal opportunity to develop their skills in Hockey. Development occurs in both practice and game situations. And within the game itself, there are different situations where each player should be afforded the opportunity to develop his or her skills, whether it is power play, penalty kill, playoffs or tournaments.

The following policy respecting ice time is intended to ensure a consistent application of the fair play codes throughout the Hockey Calgary network with an emphasis to ensure all players are provided equal opportunity to develop his or her hockey skills in every game situation. The policy applies to Elite Hockey, Community Hockey, Girls Hockey, and Recreational Hockey.

FAIR PLAY POLICY RELATING TO COACHES

The head coach is responsible for allocating more or less playing time to players in any particular game but should ensure that over two to three games the playing time per athlete member is relatively equal. This includes all games and practices, home or away, exhibition, regular season, playoff or tournament. This policy applies to all levels of hockey administered under Hockey Calgary including Elite Hockey, Community Hockey, Girls Hockey, and Recreational Hockey.

The following policies should be reviewed and followed by all coaches and the principles of fair play openly communicated by Hockey Calgary to all of its member associations and directors.

Goalies

A regular rotation for goalies should be strived for throughout the hockey season that will result in an equal number of games played by each team goalie. The rotation is subject to changes in the event of injuries or sickness or suspension.

Rotations should strive to ensure equal number of games played within League, Playoff, Minor Hockey Week, Exhibition and Tournament Play.

Players

A regular rotation of players should be strived for at their playing position throughout a game including powerplay and penalty killing, noting that the game includes the last five minutes and overtime. Each team should designate playing positions; defense, left wing, right wing, centre and no team should have a dis-proportionate number of designated forwards for a game (i.e. if there are five left wingers and three right wingers, one of the left wingers should become a right winger). If there are ten forwards and five defencemen, then one of the forwards should play defence.

For those coaches wishing to utilize a special team's unit for either power play or penalty killing, those coaches, as a tool for themselves, should establish a listing (Special Teams Log) of their designated units for each five game (or shorter) rotation. Such listing to show each player receiving an equal participation on those designated units. It is recommended that those listings be kept by the coach for the duration of the season.

Coaches choosing not to maintain a Special Teams Log should not utilize a separate power play or penalty killing unit for games. The power plays or penalty killing lines should simply be the next line in the regular rotation.

U21 B & C Team Rosters

U21 B or C teams with rosters in excess of the maximum allowable playing positions should establish a rotation of players that will be required to sit out of the line-up in those situations where healthy scratches are required. The rotation should result in all players taking a turn as a healthy scratch if a sufficient number of healthy scratches are required.

Affiliates

Teams are encouraged to bring up affiliated goalies to ensure the team has a back-up goalie for each game. It is the coach's discretion as to whether an affiliate goalie plays or not, however, in extended situations where an affiliate is required, the regular team goalie should not receive less game time than what the regular rotation would have provided.

If a team chooses to bring up an affiliate it is recommended teams do not bring up a positional player that creates a contingent at each position greater than 6 defenseman or 9 forwards, respectively.

Teams must recognize Hockey Calgary Affiliation Rules outlined in Community, Elite, Female, and Recreational Hockey sections restricting the number of affiliations and ensuring not to increase the team size to greater than the team roster.

Player Discipline

Coaches should use discretion to sit a player for the first period, or portion thereof, of a game in the event a player has developed a habit of missing practices within a set reasonable limit or arriving late for games. The requirements to sit a player should be documented and if repeated occurrences are considered necessary, the reasons should be reported to the teams' hockey association.

Coaches should have the discretion to sit a player for a period, or portion thereof, for objectionable conduct of the player (Swearing, inappropriate hits).

All coaches wishing to implement "team rules" should submit those "team rules" to their member association for approval. "Team Rules" should be reasonable and respect the varying needs of all players.

Fair Play Discipline

Every Hockey Calgary member association should have a director responsible for games and conduct. All parent's or player's that feel that the fair play codes for their team are not being adhered to are encouraged to discuss their concerns with the coach on a private basis.

BVHS Codes of Conduct and Discipline Policy

Should the concerns of the parent or player not be addressed or satisfied then the parent or player should feel comfortable reporting such non-compliance to the Director responsible for their associations Game and Conduct.

Each member association should establish internal policies and procedures to ensure full compliance with the fair play policies. Only after an individual has exhausted all avenues of appeal within their member association, should that individual raise such issues with Hockey Calgary.
